

JULIEN HUANG

Georgia tech student in aerospace engineering

PROFILE

E-mail

julienhuangg@gmail.com

Phone

+33 (0)6 66 67 76 20

Nationality

French

LANGUAGES

French

English B2+

Chinese

HOBBY

Drawing (realistic portrait)

Cooperative video games

Anime/Manga/Manhwa

TRAVEL

Fuzhou, China

Wuhan, China

Barcelona, Spain

Luxembourg

After graduating from ENSEEIHT, I wanted to put my creativity and sense of innovation to good use by joining a company in the aeronautics sector.

PROJECT

Juin-Août 2024
HUST

Research internship

- 3D Graphics: NeRF, Gaussian Splatting, Scaffold-GS, Spacetime.
- C++ Programming

June-August 2023
Fuyao Group

Internship experience

- Research and analysis of GDPR and ISO/IEC standards

2022 - 2025
ENSEEIHT

Project

- Problem solving
- Teamwork
- Report writing
- Programming

2020-2022
Classe
préparatoire

Scientific project

Effectiveness of surgical masks

- Project management
- Sensor coding
- Data processing

EDUCATION

2025 - 2026

Georgia Institute of Technology, Aerospace Engineering

2023 - 2025

ENSEEIHT Engineering School, Toulouse
Digital Science Engineering

2020 - 2022

Lycée Saint-Louis, Paris
MPSI-PSI preparatory class

SKILLS

Coding language

C, Python ,Matlab, SQL, Java, Ada, Julia

Software

Visual Studio Code, Eclipse, Matlab, SolidWorks, PhotoShop, Procreate, Sony Vegas Pro
